

Applicant : Anthony R. Perez et al.
Appl. No. : 10/023,587
Examiner : Michael J. Hayes
Docket No. : 706737.41

Remarks/Arguments

Reconsideration of this application is requested. Entry of the present amendment is requested because it is believed to place this application in condition for allowance or better form for appeal.

Turning first to the amendment to the specification that the Examiner objected to, it is requested that the Examiner reconsider based on the following:

The original specification on page 4, lines 12 through 14 stated "the various parts are generally molded from a suitable plastic, such as polypropylene, k-resin or polycarbonate, having a clear finish." This was amended to read:

-- The various parts are generally molded from a suitable plastic, such as polypropylene, synthetic resinous polymers of butadiene and styrene, or polycarbonate, having a clear finish. --

This amendment was made merely because it was discovered that "K-RESIN is a registered trademark, Registration No. 1,027,610 for "synthetic resinous polymers of butadiene and styrene." In view of this fact, it is respectfully submitted that the change to page 4 does not constitute new matter.

Alternatively, if the Examiner does not agree, the inserted phrase can be changed back to "K-RESIN a registered trademark." A copy of the K-RESIN registration is attached.

Turning now to the claims, the rejected Claims 62, 66-71, 75-97 and 100 are cancelled herewith without prejudice, pending the filing of a continuation application thereon, although Applicant does not agree with the Examiner's rejection.

Examiner : Michael J. Hayes
Docket No. : 706737.41

Claims 63-65, 72-74 and 98-99 were not rejected on art and, accordingly, dependent Claims 63 and 72 have been rewritten as new independent Claims 101 and 102, respectively, and dependent Claims 64 and 65 have been amended to depend on Claim 101 and dependent Claims 73 and 74 have been amended to depend on Claim 102.

Furthermore, a Terminal Disclaimer is submitted herewith to obviate the double patenting rejection.

In view of the foregoing, it is submitted that this application is in condition for allowance. The Examiner is encouraged to telephone the undersigned at (949) 567-6700 if there is any other matter that needs to be addressed in this application.

The Commissioner is authorized to charge any fee which may be required in connection with this Amendment to deposit account No. 15-0665.

Respectfully submitted,
